A Decade Long and Still Going Strong

Bayside radio 89.5 FM, your favorite local station, is celebrating its 10th anniversary. Over a ten-day period of festive programming beginning May 1, we will present highlights from the past and present, and give listeners a taste of the future.

5 Some of you may remember the station's humble beginnings, when it transmitted from a basement room at Bayside College. Today it occupies a modern 3-storey building equipped with the latest in digital technology. But although the setting has changed, the objectives have not. Bayside Radio still strives to bring its listeners the same original, thought-provoking programming that has earned its widespread
10 recognition over the years. Most notably, our morning program "On The Spot" was voted "Best News Program" at the 2002 New York Radio Festival, and this year Stan Peters, the station director, was elected president of the Community Radio Association. And we intend to continue this tradition of excellence.

15 Our plans for the immediate future include a series of investigative reports to be produced jointly with other leading stations in the area. In addition, we will offer an innovative after-school language learning program developed with the aid of the Murphy Language Center. Also under development, in cooperation with Bayside College, is a workshop for aspiring journalists and media-makers.

20 The 10th anniversary celebrations will feature a sampling of upcoming programs, segments of shows and interviews from 1994 to the present, a peek behind the scenes at the Bayside Radio studios, and a variety of outdoor broadcasts and other events. This is a wonderful opportunity for those of you who are not yet familiar with our station to find out what we're all about. We're sure you'll be back for more!

25 Listeners wishing to support our quality programming are invited to make donations through our "10 Years, 10 Days, 10 Dollars" phone-in marathon. With your assistance, Bayside Radio will be able to give you even more of what you have come to expect from this award-winning station.
